INDEPENDENT AUDITOR'S REPORT

To the Board of Directors HIAS, Inc. and Related Entities Silver Spring, Maryland

Opinion

We have audited the accompanying consolidated financial statements of Hias, Inc. and Related Entities (together, "HIAS"), which comprise the consolidated statement of financial position as of September 30, 2024, and the related consolidated statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of HIAS as of September 30, 2024, and the consolidated change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of HIAS and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HIAS' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of HIAS' internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HIAS' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

Gelman Kozenberg & Freedman

In accordance with *Government Auditing Standards*, we have also issued our report dated June 17, 2025, on our consideration of HIAS' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of HIAS' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HIAS' internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

Drawing on our Jewish values and history, HIAS, Inc. and Related Entities (collectively, HIAS) provides vital services to refugees and asylum seekers around the world and advocates for their fundamental rights so they can rebuild their lives. HIAS is the international Jewish nonprofit that stands for a world in which refugees find welcome, safety, and opportunity. The consolidated financial statements of HIAS includes its U.S. and branch office activities as well as the activities of its various controlled related entities in the aforementioned geographical locations.

Program Services -

U.S. Operations -

In the United States, HIAS resettles and provides legal support for refugees and asylees, advocates for refugee rights, and engages our community network to support refugees. The refugee resettlement is done in collaboration with affiliates across the country.

International Operations -

Internationally, HIAS works in twenty-one countries across Latin America and Africa-Eurasia focused on supporting cross-border refugees. HIAS implements programs around economic inclusion, gender equality, legal protection, mental health and psychosocial support, child protection and food security. It also responds to emergencies in Ukraine, Israel, and Chad.

Principles of consolidation -

The accounts of HIAS have been consolidated with its Related Entities in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) which require that financially interrelated organizations be consolidated. All intercompany transactions and balances have been eliminated.

Basis of presentation -

The accompanying consolidated financial statements are presented on the accrual basis of accounting, and in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) related to nonprofit entities. As such, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions. Descriptions of the two net asset categories are as follows:

- Net Assets without Donor Restrictions Net assets available for use in general operations
 and not subject to donor restrictions are recorded as "net assets without donor restrictions".
 Net assets set aside solely through the actions of the Board are referred to as Board
 Designated and are also reported as net assets without donor restrictions.
- Net Assets with Donor Restrictions Net assets may be subject to donor-imposed stipulations that are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when the restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Basis of presentation (continued) -

Net Assets with Donor Restrictions (continued) - Other donor-imposed restrictions are
perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.
Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets
are recognized as revenue without donor restrictions when the assets are placed in service.

Cash and cash equivalents -

HIAS considers all highly liquid investments with maturities of three months or less, which are not part of the investment portfolio, to be cash and cash equivalents. Money market funds held by investment managers totaled \$1,334,973 as of September 30, 2024. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000. At times during the year, HIAS maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

HIAS had approximately \$9,658,000 of cash and cash equivalents held at financial institutions in foreign countries as of September 30, 2024. The majority of cash and cash equivalents held in foreign countries are uninsured.

Investments -

Investments are recorded at their readily determinable fair value. Interest, dividends, realized and unrealized gains and losses are included in investment income designated for current operations and non-operating investment income, which is presented net of investment expenses paid to external investment advisors, in the accompanying Consolidated Statement of Activities and Change in Net Assets.

Investments acquired by gift, such as donated securities, are recorded at their fair value at the date of the gift. HIAS' policy is to liquidate all gifts of investments as soon as possible after the gift.

Grants and contributions receivable -

Grants and contributions receivable include unconditional promises to give that are expected to be collected in future years. Grants and contributions receivable are recorded at their fair value, which is measured as the present value of the future cash flows. If applicable, the discount on long-term grants and contributions receivable is computed using the risk-adjusted interest rates applicable to the years in which the promises to give were received. Amortization of the discount is included in contributions. Non-current grants and contributions total \$594,000 as of September 30, 2024. The allowance for doubtful accounts is determined based upon an annual review of account balances, including the age of the balance and the historical experience with the donor. The allowance for doubtful accounts totaled \$1,272,172 as of September 30, 2024.

Property and equipment -

Property and equipment acquisition greater than \$5,000 are capitalized and stated at cost. Property and equipment is depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to five years. The cost of maintenance and repairs is recorded as expenses when incurred. Depreciation and amortization expense totaled \$168,309 for the year ended September 30, 2024.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Impairment of long-lived assets -

Management reviews asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recoverable. When considered impaired, the carrying amount of the assets is compared to its current value, and a loss is reported in the Consolidated Statement of Activities and Change in Net Assets, in order to adjust the carrying value to the asset's current fair value.

Client deposits (Care and maintenance funds) -

HIAS receives care and maintenance funds from U.S. based sponsors on behalf of clients. A list of deposits is maintained by both HIAS' headquarters (HQ) and HIAS' office in Vienna. These funds are recorded as a liability upon receipt and presented as client deposits in the Consolidated Statement of Financial Position. All travel is expected to be completed in the next fiscal year, although in some cases, travel might be delayed due to various factors. The current HIAS liability represents care and maintenance funds that HIAS is carrying on behalf of the beneficiaries' expenses to resettle in the U.S.

Annuity agreements -

The contribution portion of a charitable gift annuity agreement is recognized as a contribution without donor restrictions if the donor does not restrict the use of the assets contributed to the organization. Adjustments to annuity liabilities to reflect the amortization of the discount and revaluation of expected future payment to beneficiaries based on changes in actuarial assumptions are made annually and recognized in revenue as non-operating actuarial gain on split-interest agreements in the accompanying Consolidated Statement of Activities and Change in Net Assets. There were four new charitable gift annuity agreements formalized during the year ended September 30, 2024 totaling \$42,500.

Severance obligation -

Severance obligations are recorded when a qualifying event occurs or, for country offices, based on the respective country's labor laws.

Grants payable -

Grants payable represent amounts owed to subrecipients under reimbursement basis subaward agreements. Grant expense and grants payable are recorded as subrecipients incur qualifying expenditures.

Income taxes -

HIAS, Inc. is exempt from Federal income tax under Section 501(a) of the Internal Revenue Code ("IRC"), as an organization described in IRC Section 501(c)(3). Accordingly, no provision for income taxes has been made in the accompanying consolidated financial statements. HIAS, Inc. is not a private foundation.

HIAS' Related Entities are registered in several countries primarily as not-for-profit (and tax-exempt) organizations.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Revenue from contracts with customers -

HIAS' Migrant loan processing fees and repayments, as well as Service fees revenues and other revenues are the most significant revenue streams that are treated as exchange transaction revenue following ASC Topic 606. Revenue from contracts with customers is recorded when the performance obligations are met. HIAS has elected to opt out of all (or certain) disclosures not required for nonpublic entities. Transaction price is based on sales price. Amounts received in advance of satisfying performance obligations are recorded as deferred revenue. HIAS' contracts with customers generally have initial terms of one year or less.

HIAS' travel loan services operate in accordance with its Reception and Placement Cooperative Agreement with the State Department and the Memorandum of Understanding with the International Organization for Migration (IOM). Under these agreements, HIAS is responsible for the maintenance of transportation loans funded by the State Department and granted by IOM to HIAS' refugee clients for the cost of their transportation to the U.S.

Under the IOM agreement, HIAS keeps 25% of the total amounts collected and recognizes it as migrant loan processing fees and repayments revenue in the accompanying Consolidated Statement of Activities and Change in Net Assets.

The revenue is reported at the amount that reflects the consideration to which HIAS expects the loan to be recovered. Revenue is recognized based on the loan amount recovered.

HIAS is not only collecting loans on behalf of IOM, but also assisting clients with basic financial literacy and trying to build strong connections with them. Building on this methodology, HIAS assists clients through HIAS' livelihoods team to create assist in developing financial independence for the clients HIAS resettles and serves.

Each HIAS affiliate is required to provide orientation to clients on loan repayment responsibilities. The Loan Services team provides technical assistance to HIAS' affiliate network. Historically, HIAS initial contact with the loan recipient is established with the first billing statement, issued six months after date of arrival. HIAS started to establish its relationship much earlier in 2018 by sending welcome letters that explain to its clients what to expect when they start receiving actual invoices. HIAS also supplements this technical assistance with materials that will explain the importance of building good credit in the U.S. and improving fiscal discipline overall.

The travel loan repayments are the first step towards credit building for HIAS' clients in the U.S. This helps HIAS serve its clients better and assists clients in the long run with their economic transition into the U.S.

Support from grants and contributions, including Federal awards -

HIAS receives grants and contributions, including Federal awards from the U.S. Government. Contributions are recognized in the appropriate category of net assets in the period received. HIAS performs an analysis of the individual contribution agreement to determine if the funding stream follows the contribution rules or if it should be recorded as an exchange transaction depending upon whether the transaction is deemed reciprocal or nonreciprocal in accordance with ASC Topic 958.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Support from grants and contributions, including Federal awards (continued) -

For grants qualifying under the contribution rules, support is recognized upon notification of the award and satisfaction of all conditions, if applicable. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions, including grants qualifying as contributions, that are unconditional but have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Contributions "with donor restrictions" either in excess of expenses incurred or with unexpired time restrictions are shown as net assets with donor restrictions in the accompanying consolidated financial statements. Contributions that are both received and released from restrictions in the same year are classified as without donor restrictions.

Conditional contributions contain a right of return and a measurable barrier. Contributions are recognized when conditions have been satisfied. Most Federal grants are for allowable direct and indirect program cost, and are considered to be conditional contributions which are recognized as contributions when the amounts become unconditional. Conditional contributions received in advance of meeting specified conditions established by donors are recorded as refundable advances. HIAS' refundable advances totaled \$7,279,585 as of September 30, 2024.

In addition, HIAS has obtained funding source agreements related to conditional contributions, such as Federal awards from the U.S. Government, which will be received in future years. HIAS' unrecognized conditional contributions to be received in future years totaled \$97,558,179 as of September 30, 2024. As further detailed in Note 17, subsequent to September 30, 2024, HIAS received termination notices for 11 conditional grants. Of these, \$8.6 million related to conditional awards that had not yet been recognized as of September 30, 2024.

Contributions of nonfinancial assets -

Contributions of nonfinancial assets are recorded at their fair value as of the date of the gift and consist of contributed legal services and capitalized building and land. Donated legal services are valued based on current rates for similar services in the U.S. Contributed building and lard were recorded based on an independent appraisal valuation. Contributed services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by HIAS. None of the contributed nonfinancial assets were restricted by donors and none of the donated goods were monetized through sale.

Foreign currency translation -

The U.S. Dollar is the functional currency for HIAS' worldwide operations. Transactions in currencies other than U.S. Dollars are converted into U.S. Dollars at the rate of exchange in effect during the month of the transaction. Assets and liabilities denominated in currencies other than U.S. Dollars are translated into U.S. Dollars at the exchange rate in effect at the date of the Consolidated Statement of Financial Position.

Use of estimates -

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Functional allocation of expenses -

The costs of providing HIAS' programs and supporting services have been summarized on a functional basis in the Consolidated Statement of Activities and Change in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses directly attributed to a specific functional area are reported as direct expenses within that functional area and expenses that benefited more than one functional area, such as personnel costs, were allocated based on estimated time and effort.

Investment risks and uncertainties -

HIAS invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

Reclassification -

Certain amounts in the prior year's consolidated financial statements have been reclassified to conform to the current year's presentation.

2. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments are presented in the Consolidated Statement of Financial Position as follows:

Net investment return consisted of the following for the year ended September 30, 2024:

Interest and dividends	\$	1,671,269
Unrealized gain on investments		1,643,338
Realized gain on sales of investments		1,932,324
Investment expenses	_	(594,484)

NET INVESTMENT RETURN \$ 4,652,447

Net investment return is presented in the accompanying Consolidated Statement of Activities and Change in Net Assets as investment income designated for current operations and non-operating investment income totaling \$1,500,000 and \$3,152,447, respectively.

In accordance with FASB ASC 820, Fair Value Measurement, HIAS has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

2. INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

Investments recorded in the Consolidated Statement of Financial Position are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market HIAS has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used and there were no transfers between levels in the fair value hierarchy during the year ended September 30, 2024. Transfers between levels are recorded at the end of the reporting period, if applicable.

- Money Market Funds The money market funds are open-end funds that are registered with the Securities and Exchange Commission (SEC) and are deemed to be actively traded.
- Equities and Fixed Income Securities Valued at the closing price reported on the active market in which the individual securities are traded.
- Mutual Funds Valued at the daily closing price as reported by the fund. Mutual funds held by HIAS are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily value and to transact at that price. Mutual funds held by HIAS are deemed to be actively traded.

US GAAP permits, as a practical expedient, the fair value of investments within scope to be estimated using the net asset value (NAV) or its equivalent. NAV or its equivalent is the value per share or value of ownership interest in partner's capital, as provided by the fund, whose consolidated financial statements are prepared in a manner consistent with measurement principles of an investment company or that have the attributes of an investment company. In many instances, NAV will not equal fair value that would be calculated pursuant to the Fair Value Measurement Topic.

The table below summarizes investments, which are measured at fair value on a recurring basis, by level within the fair value hierarchy as of September 30, 2024:

	Level 1		Level 2		Level 3		_	Total

As further discussed in Note 9, During the year ended September 30, 2024, HIAS received a contribution of land and a building with an appraised value of approximately \$6.2 million. Subsequent to September 30, 2024, the Board of Directors approved a plan to place the property on the market for sale for the benefit of HIAS. As the building was held for sale as of the date of the financial statements, as such, no depreciation was recorded for the building for the year ended September 30, 2024.

4. SPLIT-INTEREST AGREEMENTS

HIAS is the beneficiary of charitable remainder trusts and charitable remainder unitrusts. The present values of the annuities' obligations are based upon the expected future cash flows to be paid to the annuities' beneficiaries. Adjustments to the annuity liabilities reflect the amortization of the discount and the revaluation of expected future payments to beneficiaries based on changes in actuarial assumptions, and are made annually and recognized as actuarial gains (losses) on split-interest agreements as part of nonoperating activities within the Consolidated Statement of Activities and Change in Net Assets. The discount rates ranged from 5.3% to 11.3% at September 30, 2024. During the year ended September 30, 2024, the assumptions used in the valuation of the liability include mortality data in accordance with the Annuity 2012 mortality table.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

5. LINE OF CREDIT

HIAS maintains a \$11,000,000 bank line of credit with M&T Bank, which matures November 17, 2025. Variable rate interest is calculated monthly on the outstanding balance using SOFR rate plus 1.30%, which was 6.66% as of September 30, 2024. The terms of the line of credit agreement require that HIAS comply with certain covenants. The balance due on the line of credit totaled \$11,000,000 as of September 30, 2024.

As of the report date, the \$11M line of credit is outstanding, HIAS is renegotiating the terms and conditions of this agreement with M&T Bank.

6. BOARD DESIGNATED ENDOWMENT

HIAS's net assets without donor restrictions include certain amounts that have been designated by the Board of Directors. HIAS' Board has designated funds to be set aside to establish and maintain a Board endowment fund for the purpose of securing the organization's long-term financial viability and continuing to meet the needs of the organization. The funds totaled \$22,567,244 at September 30, 2024.

7. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following as of September 30, 2024:

Less: Board designated funds	<u>(22,567,244</u>)

FINANCIAL ASSETS AVAILABLE TO MEET CASH NEEDS FOR GENERAL EXPENDITURES WITHIN ONE YEAR

\$ 40,689,063

HIAS has a policy to structure its financial assets to be available and liquid as its obligations become due. In addition, HIAS has Board designated net assets without donor restrictions that were established by the Board of Directors that may be drawn upon in the event of financial distress or an immediate liquidity need. In addition, HIAS has a line of credit agreement (as further discussed in Note 5) which allows for additional access to resources.

9. CONTRIBUTIONS OF NONFINANCIAL ASSETS

HIAS was the beneficiary of certain contributed nonfinancial assets which allowed HIAS to provide greater resources towards its various programs. During the year ended September 30, 2024, HIAS was the recipient of donated land and building which has been capitalized as a current asset in the accompanying Consolidated Statement of Financial Position. No donor-imposed restrictions were associated with the contributed nonfinancial assets. The contributed land and building are recorded at their estimated fair market value as of the date of the gift. During the year ended September 30, 2024, none of the donated goods were monetized through sale.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

9. CONTRIBUTIONS OF NONFINANCIAL ASSETS (Continued)

The contributed nonfinancial assets consisted of the following for the year ended September 30, 2024:

The contributed nonfinancial assets (excluding the capitalized asset donation) have been recorded in support and in the following functional expense categories for the year ended September 30, 2024:

U.S. Operations \$ 15,433,561

10. LEASE COMMITMENTS

HIAS follows FASB ASC 842 for leases. HIAS has elected the practical expedient that allows lessees to choose to not separate lease and non-lease components by class of underlying asset and is applying this expedient to all relevant asset classes. HIAS has also elected to use a risk-free rate as the lease discount rate for all leases as allowed under FASB ASC 842.

During 2015, HIAS entered into an operating lease for office space in Silver Spring, Maryland. The lease was amended in 2019 to extend the lease term through February 28, 2029. The amended lease agreement includes annual rent escalations of 3%. The office lease includes an escalation of base rentals which is being amortized on a basis to achieve straight-line rent expense over the life of the lease.

In June 2023, HIAS entered into a ten-year operating lease for office space in New York, New York that expires in May 2033. The lease was amended in 2024 to include additional office space. The amended lease agreement requires a fixed annual rent of \$520,290 for the first five years of the agreement and \$577,770 for the second five years of the agreement. The lease allows for rent abatement for the twelve months following the commencement date.

HIAS also leases office space in numerous foreign countries under both short and long-term lease agreements.

For the year ended September 30, 2024, total lease cost was \$3,588,666 and total cash paid was \$3,243,775 for all operating leases. As of September 30, 2024, the weighted-average remaining lease term and rate for operating leases is 6.15 years and 1.87%, respectively:

10. LEASE COMMITMENTS (Continued)

Lease expense related to all long-term operating leases totaled \$1,801,011 for the year ended September 30, 2024. Lease expense related to all short-term leases totaled \$1,787,655 for the year ended September 30, 2024. HIAS has elected the practical expedient for these short-term leases as the lease terms are less than 12 months.

As a result of circumstance further described in Note 17; subsequent to September 30, 2024, HIAS terminated one lease in Peru with a related right-of-use asset balance of \$43,720 as of September 30, 2024. Additional leases are expected to be terminated in Aruba, Guyana and, Ukraine with related right-of-use asset balances that totaled \$127,437 as of September 30, 2024.

11. RETIREMENT PLAN

HIAS provides retirement benefits to its employees through a 401(k) defined contribution plan. In accordance with the provisions of the Plan, HIAS makes matching contributions up to 5% of a participant's total compensation to the Plan. HIAS's contributions to the Plan totaled \$1,200,627 for the year ended September 30, 2024, and have been included Payroll taxes and Employee benefits in the accompanying Consolidated Statement of Functional Expenses.

12. PENSION PLANS

Domestic Pension Plan

HIAS has a noncontributory defined benefit pension plan (the Plan) covering all of its eligible employees. All benefits under this Plan were frozen effective February 15, 2012.

The components of net periodic pension cost for the year ended September 30, 2024 are presented below:

12. PENSION PLANS (Continued)

Domestic Pension Plan (continued)

The long-term rate of return on assets assumption was selected by the Plan Sponsor based on review of investment allocations with the investment advisor and based on both historic and projected returns. This assumption was determined to be an appropriate estimate of the expected returns, based on the nature of the pension plan investment allocation and related strategy. Since the rate of return assumption reflects a long-term outlook, it is not expected to change based on short-term market fluctuations. The Plan Sponsor routinely monitors the performance of the pension Plan assets and based on consultation with the investment advisor, will make changes to the investment allocation and strategy as determined to be necessary in an effort to maximize returns within prudent risk constraints.

Weighted-average assumptions as of September 30, 2024:

	Benefit <u>Obligation</u>	Net Benefit Cost
Discount rate	4.76	5.61
Expected return on Plan assets	N/A	6.58
Rate of compensation increase	N/A	N/A

The expected return on Plan assets was determined by HIAS and the Board of Directors of HIAS together with its investment advisors. The rate is based primarily on expectations regarding future returns for the Plan's investment portfolio, with consideration given to the distribution of investments by class and historical rates of return for each individual asset class.

The fair values of HIAS' Pension Plan assets at September 30, 2024, by asset class, are as follows:

12. PENSION PLANS (Continued)

Foreign Pension Plan

HIAS had a nonqualified defined benefit pension plan covering eligible foreign employees. All benefits were frozen effective March 15, 2012. As of September 30, 2024, the accumulated benefit obligation was \$390,851, which is the present value of the benefits earned as of the date that the Plan froze benefit accruals. No additional pension contributions were incurred in 2024.

The assumptions used included a discount rate of 4.62% for the year ended September 30, 2024.

13. CONCENTRATION OF REVENUE

Awards from the U.S. Federal Government or pass-through entities comprise approximately 52% of HIAS's revenue and support for the year ended September 30, 2024. See Note 17 regarding subsequent status of HIAS' relationship with the U.S Federal Government.

14. CONTINGENCY

HIAS receives grants from the U.S. Department of State. Such grants are subject to audit under the provisions of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).* The ultimate determination of amounts received under the Federal awards is based upon the allowance of costs reported to and accepted by the United States Government as a result of the audits. Until such audits have been accepted by the United States Government, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits. Audits in accordance with the applicable provisions of Subpart F of the Uniform Guidance have been completed for all required fiscal years through 2024.

15. RELATED PARTY TRANSACTIONS

HIAS Europe -

HIAS partners with HIAS Europe, located in Brussels, Belgium. HIAS and HIAS Europe collaborate to accomplish a worldwide shared mission. HIAS and HIAS Europe provide interorganizational program, human resources and logistic support on behalf of their related overseas programs. Both organizations have aligned missions, but no common Board Members. HIAS does not exercise control over HIAS Europe, nor does it have voting power. Accordingly, HIAS Europe's financials have not been included in the accompanying consolidated financial statements.

During the year ended September 30, 2024, HIAS provided assistance to HIAS Europe totaling \$4,345,499 and provided payments totaling \$4,815,309 for the different agreements indicated below. During the year ended September 30, 2024, HIAS Europe supported HIAS' country offices (Chad, Kenya and Greece) for a total of \$937,476. As of September 30, 2024, HIAS has recorded a net balance due to HIAS Europe totaling \$387,594.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS SEPTEMBER 30, 2024

15. RELATED PARTY TRANSACTIONS (Continued)

HIAS Europe (continued) -

HIAS, Inc. and HIAS Europe collaborate on the following initiatives:

a) Country Offices Support: HIAS Europe grants support the operating costs of HIAS' field offices (Chad, Kenya, Greece, Romania, Moldova and Poland), to support the implementation of protection and inclusion programs for refugees and other forcibly displaced populations, especially the most vulnerable among them. Priority is given to services reflecting HIAS' four core programming areas (Legal Protection, Gender/GBV, Mental Health and Psychosocial Support, Economic Inclusion), supplemented by humanitarian programs that address the most immediate needs of HIAS beneficiaries. Populations of concern include refugees, asylum seekers, stateless populations, IDPs, undocumented migrants with protection needs and host communities. These populations may be located in camps, outside of camps, in urban as well as in rural environments. European Jewish Communities support the ongoing Ukraine Crisis; HIAS Europe supports European Jewish Communities as they respond to the Ukraine refugee crisis by building capacity to effectively relocate, host, and integrate Ukrainian refugees.

On February 7, 2024, HIAS established a newly formed NGO registered under the laws of Greece, and it is expected at some point in the future that its branch office activities will be transferred to the local NGO and will be under the control of HIAS Europe (therefore ultimately de-consolidated from the accompanying financial statements).

- b) Welcome Circles: The Welcome Circle Program for Ukrainians was developed using principles from community sponsorship programs to integrate refugees holistically and effectively into local communities. In the first year of this program, HIAS established 12 Welcome Circles in 11 European countries (Ireland, Portugal, Belgium, Poland, Hungary, Czech Republic, Moldova, Italy, Greece, Austria and Germany) supporting over 600 refugees. Each circle integrates an average of 40 individuals and is supported by a paid-staff coordinator and community volunteers.
- c) Organizational Capacity: HIAS assist HIAS Europe in maintaining and building up its capacity to provide programmatic and financial oversight and support to affiliated country offices, as well as to enhance partnerships with European donors.

HIAS Economic Advancement Fund (EAF) -

HIAS Economic Advancement Fund (EAF) was founded by HIAS and filed its articles of incorporation in Maryland on March 3, 2022 and began operations on February 14, 2023. EAF is a nonprofit organization and emerging Community Development Financial Institution (CDFI) Loan Fund that provides refugees and other forcibly displaced entrepreneurs access to capital so they can launch and grow their businesses. EAF works alongside HIAS resettlement partners that are working on the ground in communities across the country to help refugees resettle and integrate into their new communities.

EAF partners are the local presence in each community they serve, providing entrepreneurial refugees business technical assistance, financial and credit education and assistance accessing capital to launch or grow their businesses through EAF. EAF business loans are tailored for refugee entrepreneurs who are low-income, have little or no credit history, are unable to access credit from mainstream financial institutions, or are precluded from paying interest because of religious beliefs.

15. RELATED PARTY TRANSACTIONS (Continued)

HIAS Economic Advancement Fund (EAF) (continued) -

EAF has three loan products that are designed for entrepreneurs who are just starting out in business or established businesses that are looking to stabilize operations or expand. During the year ended September 30, 2024, HIAS provided net support totaling \$170,084 to EAF and EAF provided repayment of \$48,642. As of September 30, 2024, EAF owed a net of \$137,138 to HIAS, and is presented as a receivable in the accompanying Consolidated Statement of Financial Position. HIAS and EAF do not maintain common Board Members. Additionally, HIAS does not exercise control or influence over EAF, nor does it have voting power. Accordingly, the financial statements of both organizations are not consolidated.

HIAS Foundation -

In 2023, HIAS established the HIAS Foundation to manage and steward a permanent endowment, intended to provide support to HIAS in perpetuity. HIAS Foundation is a separate tax exempt 501(c)(3) nonprofit organization. During the year ended September 30, 2024, HIAS made a conditional contribution to transfer additional endowment assets to HIAS Foundation totaling approximately \$7,300,000. Of this amount, \$3,321,083, was recognized and transferred to HIAS Foundation during the year ended September 30, 2024. During the year ended September 30, 2024, HIAS Foundation made unconditional contributions to HIAS totaling \$17,200,000. HIAS does not exercise control over HIAS Foundation, nor does it have voting power. Accordingly, HIAS Foundation's financial statements have not been included in the accompanying consolidated financial statements. As of September 30, 2024, a balance of \$17,683 was due from HIAS to HIAS Foundation.

Board of Directors Giving -

HIAS received contributions from Board Members and other related organizations during the year ended September 30, 2024, totaling \$146,150.

16. ENDOWMENT FUNDS

HIAS' endowment funds consist of both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments (quasi-endowments).

Interpretation of relevant law -

HIAS has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) requiring the preservation of the fair value of the original gift made to the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result, of this interpretation, HIAS classifies as net assets with donor restrictions: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Additionally, in accordance with UPMIFA, HIAS considers the following factors in determining whether to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purpose/mission of the organization and the donor-restricted endowment fund;
- General economic conditions and the possible effect of inflation and recession;
- · The expected total return from income and the appreciation of investments; and
- Investment policies of the organization.

16. ENDOWMENT FUNDS (Continued)

Return Objectives and Risk Parameters -

The return objective of HIAS is to generate investment income while maintaining the principal endowment funds at the original amount designated by its donors. The investment policy to achieve this objective is to invest in a diversified portfolio of investments. Investment income is recorded as donor restricted income and released from restriction upon based upon HIAS Inc.'s Board spend policy, absent any donor restrictions stipulating to the contrary.

Strategies Employed for Achieving Objectives -

To satisfy its long-term rate-of-return objectives, HIAS relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). HIAS targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy -

HIAS has a policy, through action of HIAS Inc.'s Board of Directors of appropriating for distribution 5% of its endowment fund's average fair value over the prior 12 quarters ("Board spend policy"). In establishing this policy, HIAS considered the long-term expected return on its endowment. For the year ended September 30, 2024, this allocation amounted to \$1,500,000.

Funds with Deficiencies -

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires HIAS to maintain as a fund of perpetual duration ("underwater endowment"). Deficiencies of this nature exist in 6 donor-restricted endowment funds, which together have an original gift value of \$3,023,836, and a deficiency of \$17,845 as of September 30, 2024.

Given that HIAS has an investment policy in place, and HIAS' goals regarding the return objectives and risk parameters outlined in the above section, management's plan to "cure" the underwater endowments are to await market recovery. Management feels that this is a reasonable position given the normal "ebbs and flows" of the markets and views any decline in fair value of the endowments to be temporary in nature.

Endowment funds consisted of the following as of September 30, 2024:

17. SUBSEQUENT EVENTS

In preparing these consolidated financial statements, HIAS has evaluated events and transactions for potential recognition or disclosure through June 17, 2025, the date the consolidated financial statements were issued.

On January 24, 2025, HIAS was notified by the Federal Government that some of its awards to HIAS were temporarily suspended. Subsequently, these temporarily suspended awards were terminated; these terminations impacted six Federal awards that were active as of September 30, 2024, and the total unrecognized conditional amount of these awards as of the date of the consolidated financial statements was approximately \$8,540,000. Furthermore, there were five non-Federal awards terminated totaling \$110,000.

As a result of these award terminations, HIAS has implemented cost-reduction measures, including the layoff of approximately 38% of its global staff directly tied to the affected awards. In addition, HIAS has closed two country offices and is planning on closing additional country offices by the end of the year. Moreover, operations in the country offices that will remain open will be right-sized to match its current level of activity.

The above events will also have an impact on lease agreements that follow ASC 842 standards. HIAS is evaluating whether lease modifications, early terminations, or impairments of right-of-use (ROU) assets are required as a result of these actions. The consolidated financial statement effects of any such adjustments will be reflected in the period in which the lease modifications or terminations become contractually effective. See Note 10 for additional details.

Further financial and operational impact of these governmental actions will continue to be assessed by management. HIAS continues to take steps to ensure continuity of essential operations and to mitigate long-term risks affecting HIAS' programs and mission.
